Mitchell Elementary is happy to announce that we will be able to provide **low cost and no cost** After School Clubs during the 2016-2017 school year. All club information is listed below. If you have any questions, please feel free to contact Mrs. Salzwedel at 299-1937 ext 36441 or salzwedel_a@aps.edu. You can also visit our After School Clubs website at www.mitchell.aps.edu/clubs

1. Clubs will run for 3 different sessions. Watch your student's backpack for an interest form that will help us in placing your student in 1-2 clubs. Students will complete a new interest form for each session of clubs.
2. These sessions will offer one set of clubs on Tuesday/Thursdays and a different set of clubs on Wednesdays. Students may register for clubs on only Tues/Thurs, only Weds, or all 3 days! Any K-5 Mitchell student is welcome to register.
3. If students receive a "wait-list" confirmation, you will be contacted IF a spot becomes available in the clubs they showed interest in. The more clubs they mark as interests, the better their chances of getting in a club.
4. Clubs will run from 1:55pm to 3:15pm. Every student attending After School Clubs will be offered a free snack. Please mark any food allergies on your student's permission form.
5. If you need care after 3:15pm, please contact our site-based YMCA program at 292-2298.
6. Please remember, club members will need to provide their own transportation home. Also, we cannot provide crossing guard duties for children crossing Comanche. If your child normally walks home from school, they may walk home after their club is dismissed if you have marked this on their registration form.
7. Students will be expected to follow the same rules during clubs as apply during the regular school day.
8. It is important to follow these rules during After School Clubs. Students who do not will be given one warning. After this, they will be sent home early and a correction slip may be written. If this happens again, the student will be asked to leave all After School Clubs for the remainder of the session.
9. After School Club Attendance Policy: Students in After School Clubs are allowed up to **two unexcused** absences. After two unexcused absences, the student may be asked to leave After School Clubs for the remainder of the session. **NEW THIS YEAR:** if your student is absent during the day, but you did not call the office to excuse this absence, then the student's club absence will be unexcused. You MUST call the office to report absences.
10. Clubs are over at **3:15pm**. Any pick-up later than **3:25pm** will count as an unexcused absence. Students must be picked up at the club classroom door or the West Parking Lot. **Students are not allowed to be picked up in the East Parking Lot** because we do not have enough duty teachers for both locations during clubs.
11. For Session II and III Clubs, first priority will be given to students who did not previously participate in a club during this school year. After those students are placed in a club, next priority will go to students who had good attendance and behavior during clubs and to those students who did not drop out of a club. Any student in the Talent/Mustang Show in May, will not be place in a Session III Club.
